This is responsive to the restriction requirement dated April 16, 2003. In response to the examiner's restriction, Applicants hereby elect the claims identified Group III, including Claims 1-5, 7, 13-17 and 29-35.

In making this restriction, the examiner identified Claim 1 as being generic. Although Claims 2-5 and 13 were not categorized under this restriction, from their content, it is assumed that these claims were also considered to be generic by the examiner. As such, these claims have also been included in the election made above.

Claim 7 was identified with Group II by the examiner but, based on its content, this claim is believed to be a linking claim between Groups II and III. In particular, Claim 7 is believed to be generic to Groups II and III, and is therefore included in the election above. Acceptance of this election is respectfully requested.
